Merit Badges: Currently have 43 completed

Eagle Project

Beneficiary: Descanso Gardens

Project: Rose Garden Bridge Drainage

Developing a plan to install a drainage system along the edges of the bridges in the Descanso Gardens Rose Garden. This will capture and divert rain runoff from the bridges which is eroding the adjacent paths. The project will also fill in the previously-eroded paths with decomposed granite.

Work Experience:

2017-2018 **COMPANY** (Startup technology firm)

Administrative Assistant: Performed internet research to create profiles on potential investors and customers. Set up sales contact database and managed contact information.
