Guide for Board of Review Members

Before serving on a board of review, scouts and adults should read this guide and print the page containing sample questions for the appropriate rank. For Tenderfoot, Second Class and First Class, the adult is the chair but scouts conduct the board of review, with the adult there to make sure the board is conducted properly and fairly.

Mechanics of a Board of Review

The scout must be in full uniform including neckerchief and merit badge sash.

The chair of the board introduces the scout.

The chair asks the scout to come to attention and recite the following:

- The Scout Oath
- The Scout Law
- The Scout Motto
- The Scout Slogan
- The Outdoor Code (optional)

Scouts working on the lower ranks usually need some help getting through these. Some re-tries are appropriate, especially for younger scouts, or if the scout appears nervous. For higher ranks, greater competency is expected.

The board members are invited to ask questions of the scout (see the sections appropriate to each rank). The questions should be open-ended, offering an opportunity for the scout to speak about his opinions, experiences, activities, and accomplishments. Avoid questions which require only a simple one or two word answer. If an answer is too brief, follow up with a, "Why?" or, "How can that be done?" to expand the answer. The questions should focus on scouting topics; but may include questions regarding home, church, school, work, athletics, etc. as related to scouting. The chair should be aware of any "out-of-bounds" areas; these should be communicated to the board before the board of review begins (e.g., if a scout is experiencing family difficulties due to a divorce, it would be prudent to avoid family issues.)

The time for a board of review should be from 15 to 120 minutes, with the shorter time for the lower ranks.

When all members have had an opportunity to ask their questions, the scout is excused from the room. The board members then consider whether the scout is ready for the next rank; the board's decision must be unanimous. Once the decision is made, the scout is invited back into the room, and the chair informs the scout of the board's decision. If the scout is approved for the next rank, there are general congratulations and handshakes all around, and the scout is encouraged to
continue advancing. The chair signs the scout's Handbook and all board members sign the Scoutmaster Conference – Board of Review form and return the form to the scout.

If there are issues which prevent the scout from advancing to the next rank, the board must detail the precise nature of the deficiencies. The scout must be told specifically what must be done in order to be successful at the next board of review. Typically, an agreement is reached as to when the scout may return for his subsequent board of review. The chair must communicate clearly to both the scout and the scoutmaster, the deficiencies and the course of action needed to correct them.

**Nature of the Questions**

The following pages list typical board of review questions for each rank. Questions for lower ranks are simpler and generally deal with factual information about the scout's participation in the troop, and his approach to applying the skills he has learned toward earning the next rank.

The questions for the higher ranks deal less with facts, and more with what the scout is getting out of his scouting experiences and understanding of how scouting is becoming an integral part of his life. Remember: it is not the point of a board of review to simply retest the scout. However, a review of critical knowledge and skills like first aid is okay. Questions like, "Where did you learn about ..." or "Why do you think it is important for a [rank] Scout to have this skill?" can also probe competency of critical knowledge and skills.

If a scout appears nervous or anxious about the board of review, it might be appropriate to ask one or two questions from the list for a lower rank, to help "break the ice" and establish some rapport. In general, within a rank, the questions are arranged from "easiest" to "most difficult".

For each rank, there is a question about advancing to the next rank. The purpose of this question is to encourage advancement, but it should not be asked in a way that pressures the Scout.

[Note: If the Board of Review is for the Life rank, and the scout is at or near his 17th birthday, some pressure towards Eagle may be in order. At the very least, be certain that the scout realizes that his time is running out.]

For higher ranks, there is a question from the Boy Scout Handbook about basic scouting history.

More questions are provided than can typically be accommodated in the time suggested. The board of review will need to select the questions which are appropriate for the particular scout and his experiences.

**Conclusion**

These questions are intended to only serve as a guide. Board members are free to add to or skip questions from these lists, as they feel appropriate.

This guide is summary in nature and scouts should always refer to their Boy Scout Handbook for more complete and detailed information about rank advancement requirements.
